Club

YOU'RE INVITED

If you are between the ages of 14-25 and love horses we want you!

The AHS Young Breeders Club aims to provide training and competitive opportunities for young breeders in the United States between the ages of 14 and 25 and to help them develop the skills and knowledge relating to assessing, exhibiting, and breeding performance horses. You **do not have** to be breeders or come from an equestrian background. An avid interest and an eagerness to participate and learn is all that is required.

The skills and knowledge transferred through training serve as a foundation for those with an interest in developing their knowledge of the horse. These skills come into focus for varied uses including purchasing a new horse; deciding about which mares/stallions to use for breeding; assessing offspring; presenting horses for inspection, sale, show or competition. The Young Breeders Program is a wonderful opportunity for young people to meet with their peers and make contacts throughout the world who share their interest in horses. The program will include theory, conformation, movement, and free jumping. Club meets monthly at Central Arizona Riding Academy. FOR MORE INFO AND SIGN UP 480-580-0634
