

Interscholastic Equestrian Association at Central Arizona Riding Academy

Inviting all Children in grades 6 - 12

Enjoy competition in a team environment that encourages riders to support their teammates.

There is no need to own or lease your own horse.

IEA teaches riders to be adaptable in their riding by showing lots of different horses.

There are team fundraisers, activities, and practices.

The IEA was established to provide competitive and educational opportunities through equestrian athletics. Good horsemanship and honorable participation are key priorities. IEA fosters a spirit of belonging, an atmosphere of community involvement, and a mutual respect for all participants and their equine partners. An IEA rider's journey starts with the desire to be a part of a team. Whether the team is the partnership with the horse that an IEA rider draws for a class at the horse show or the team that consists of old and new friends at the barn, an IEA rider has the opportunity to develop competitive riding skills while making memories that will last a lifetime.

Please join Central Arizona Riding Academy as we continue our dedication to Arizona's Youth and the development of our IEA Dressage Program.

Monthly Team Practices and Meetings begin October 2020
