Excellence pins:

If your ride still rocks, but Miss MoneyBags shows up riding Mr. Olympic Retiree and blows the scores out of the water, your ride **still** deserves an award.

Certain movements really show off your horse's training. Any horse, regardless of talent, if correctly ridden, can get a high score on these movements. If you nail those movements and the judge gives you an 8 or higher, you will receive an excellence lapel pin. For every 8 on your test you receive another pin. Heck, by the end of the season, your show coat could be covered. The movements that will get you those incredible I-totally- rock-as –a- dressage rider pins are:

- Any rider score in the collectives
- All halts
- Turn on the haunches and walk pirouettes
- Free walk
- Stretchy trot circle
- Giving one or both reins in the canter
